

'A Professional, fun and Safe Diving Environment'

OCEANIC
INNOVATION FIRST

SPECIALTY COURSE BOAT DIVER

Boat Diver Specialty informs the diver with the protocol that goes with being at Sea and is primarily the most popular and easier way to access the sites you will want to choose to dive.

- ◆ Select the best dive boat
- ◆ Travelling and staying comfortable on boats
- ◆ Using boat terms to make you sound like a pro
- ◆ Avoid sea sickness
- ◆ Getting on and off all types of boats in all types of conditions
- ◆ Packing and storing specialty equipment on boats

Boat Diving will probably consume most of your future Dive Experiences. Therefore having the experience and knowledge from this **Specialty** will ensure the opportunity to avail **Boat Dives** that will continue to offer the experiences to build your knowledge and skill Levels. This course will reassure divers within the company of our experienced team of Professionals onboard the vessels here at **BCDA** .

You too can take up the experience of **Boat diving** regularly within the comfort of the facilities we have to offer through our Dive Centre here at **BCDA** !
