SPECIALTY COURSE Enriched Air Nitrox

Why choose **ENRICHED Air NITROX ?**

The **Enriched Air Nitrox Specialty Course** will introduce you to the benefits of diving on **Nitrox**. You will learn to calculate and utilise the Specialty Tables associated with diving on **Enriched Air**.

We provide here at **BCDA** combined with the added benefit of **SSI's 'Home Study Program'** the experience of being informed.

- ◆ Physics and physiology of Nitrox
- ◆ Analysing Nitrox cylinders
- ◆ Planning Nitrox dives
- ◆ Using Nitrox dive computers and SSI Nitrox tables
- ◆ Managing exposure to nitrogen
- ◆ 32% and 36% Nitrox (and other mixes)
- ◆ O2 clean and O2 service rated equipment

So come on in to **BCDA** and learn to extend the benefits of your dive profiles and dive with Nitrox
