

*'A Professional, fun and Safe Diving Environment'*

OCEANIC  
INNOVATION FIRST

## OPEN WATER DIVER COURSE

Diving opens up a Lifetime of exciting adventure offering a visual feast to start here by choosing the ideal path to begin in taking your place on the **Open Water Dive Course**.

In association with **Scuba Schools International (SSI)** under the expertise and guidance of your SSI Instructor here at **BCDA** - we will provide you with a truly unforgettable experience.

serious diving. serious fun.

If you are between the ages of 12 & 15 you can take the **Junior Open Water Diver Course**.

Otherwise the **Open Water Course** offers our customers of all age groups from 15 and upwards the chance to develop the knowledge and skills you will need to enjoy a lifetime of Underwater Exploration.

**SSI's** modular six session teaching system provides the knowledge for you to learn; where you will reference the Open Water Manual, Course Materials, DVD, Presentations & lectures held in our air-conditioned classroom to practice Scuba Skills in our safe dive environment in the confined Pool sessions in our on-site heated indoor swimming pool. Our aim is to encourage exclusively comfort through repetition in our *'Professional, fun and Safe Diving Environment'*.

You will learn to:

- Move through the Water with ease
- Breathe normally Underwater
- Control and Maintain Neutral Buoyancy
- Locate the easiest methods to enter and exit the water
- Remove water from your snorkel and mask by purging and clearing

We are proud to be Oceanic's 'Regional Dealer of the Year' for our Scuba diving Equipment and can advise all our divers with *'servicing all your diving needs down under'*.

We of course shall provide you with an understanding of the equipment required and provided for the duration of the course.

- To select the best diving equipment for your needs and budget
- To improve performance and maintenance of your dive equipment and experience

**Scuba Diving** is a wonderful sport that offers a variety of action tailored to suit each divers needs from heart pumping action to relaxation observing the underwater realm.

With **BCDA & Scuba Schools International** you will be best prepared for a lifetime of **'Serious Diving and Serious Fun'**.

All your needs are met with the course materials covered in the cost; **The Open Water Pack** (inc Manual, Tables, Log book and free Tote bag), provision of Scuba equipment for the Duration of the Course, Registration, International Certification, Shore & Boat Dives. Or why not upgrade to include finishing your dives off the Helicopter at the Abrolhos Islands! So come and Learn today and Dive with our team of Professionals we have here onsite at **BCDA**. We run courses over both; weekends and block sessions—a time period of 4-5 days to meet with your needs. For more information and to book your place on the next available course. All we ask is you provide bathers and a keen interest to have fun and get wet!
