

'A Professional, fun and Safe Diving Environment'

OCEANIC
INNOVATION FIRST

SCUBA SKILLS UPDATE COURSE

Haven't dived in a while? Obtained your qualification some years back? Or simply want to **Update and refresh your Skills and Knowledge.** You can **re-certify your skills** and obtain recognition that will certify you back into the water.

serious diving. serious fun.

In association with **Scuba Schools International (SSI)** under the expertise and guidance of your SSI Instructor here at **BCDA** - we will provide you with the ability to regain confidence to get you back out there and diving.

Whatever your level of experience we offer you the chance to develop the knowledge and skills you will need to enjoy a lifetime of Underwater Exploration.

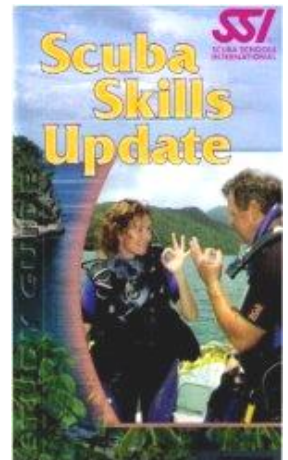

With **SSI's** complete training system you will reference and regain the skills you require to get back in the water and dive safely within safe limits according to your comfort and qualifying level. The program is set up to provide you with the opportunity within the company of a Dive Professional to practice the skills you acquired in our onsite indoor heated swimming pool. To regain the knowledge you experience through our classroom lectures and DVD presentations the opportunity to remember how to put to use the dive tables. To remind you how to implement recreational dive limits when diving again, reassured in your ability. Our aim is to encourage exclusively; comfort through repetition in our *'Professional, fun and Safe Diving Environment'*.

You will learn to:

- Move through the Water with ease
- Breathe normally Underwater
- Control and Maintain Neutral Buoyancy
- Locate the easiest method to enter and exit the water
- Remove water from your snorkel and mask by purging and clearing

We are additionally proud to be Oceanic's 'Regional Dealer of the Year' for our Scuba diving Equipment and can advise all our divers with *'servicing all your diving needs down under'*.

We of course shall provide you with an understanding of the equipment required and provided for the duration of the course.

- To improve performance and maintenance of your dive equipment and experience
- To assemble your equipment

Scuba Diving is a wonderful sport that offers a variety of action tailored to suit each divers needs from heart pumping action to relaxation observing the underwater realm. With **BCDA & Scuba Schools International** you will be best prepared for a lifetime of **'Serious Diving and Serious Fun'**. All your needs are met within a morning's session of classroom and confined pool work - we can refresh your skills, we can also recertify you to dive and be recognised worldwide to your dive qualification level. To increase your confidence and comfort why not add on a shore/boat dive within great company to ensure you are up to scratch. So come on in we invite you to join us in getting back in the water. All we ask is you provide bathers and a keen interest to have fun and get wet!
