

'A Professional, fun and Safe Diving Environment'

OCEANIC
INNOVATION FIRST

SPECIALTY COURSE SEARCH & RECOVERY

'**Search and Recovery Specialty**' is a Specialty that offers new techniques to assist you in learning through **SSI's Home Study Program**:

- ◆ Scene Evaluation
- ◆ Types of Search Patterns
- ◆ Conditions that determine Search Patterns
- ◆ Line tender
- ◆ Finding the object
- ◆ Lifting the object—line, lift bags, hand carry

Here at **BCDA** your Dive Experience will further your acquisition of the knowledge required to gain greater insight and experience to assist in 'serving your needs' whilst diving when you're 'down under'!

Recommended Equipment

- ◆ Compass
- ◆ Slate
- ◆ Dive Torch
- ◆ Reel
- ◆ Lift bag
